/ Company introduction.

DAOL is

An integrated platform developer in the industry of tourism and leisure, Daol Vision Inc.

Starting to develop a professional and advanced package for hotel/resort operation, we provide the safest IT/ICT environment for exclusive browser development, cloud system application and 24-hour customer response service.

Also, by developing an optimized kiosk of an integrated platform, we also established an ALL-IN-ONE SERVICE of the hotel integration solution.

DAOL VISION LOGO - symbol/wordmark type

DO
MORE.

A photograph of a modern computer monitor on a wooden desk. The monitor screen is dark with the text 'DO MORE.' in large, white, bold, sans-serif capital letters. The desk also holds a white keyboard, a white mouse, and a small white vase with a dark liquid. The background shows a window with blinds.
